<b>Other information</b>			
<b>Other information (sustainability reports, policies, other public information)</b>	<p>Mitsubishi Corporation (MC) is Japan's largest general trading company (sogo shosha) with over 200 bases of operations in approximately 80 countries worldwide. Together with its over 500 group companies, MC employs a multinational workforce of approximately 48,000 people. MC has long been engaged in business with customers around the world in virtually every industry, including energy, metals, machinery, chemicals, food and general merchandise. MC's operations connect in many ways to the environment; from resource development to trade. MC places the utmost importance on conducting business in an environmentally-friendly way, to ensure the sustainability of our environment, as well as our company. As such, we take great care to analyze and assess the environmental impact of our corporate activities, making constant efforts to find the most efficient yet practical methods to reduce any burden on the environment. If you want to know more about our company, please look at our website at: <a href="http://www.mitsubishicorp.com">www.mitsubishicorp.com</a></p>
