

About your organisation			
Name of the organisation:	B.V. Remia Handelmaatschappij		
Membership number:			
What is the primary activity or product of your organisation?	B.V. Remia Handelmaatschappij is responsible for the timely deliveries of the refined edible oils to Remia C.V. Due to the daily price fluctuations on the world currency and commodity markets, Remia is exposed to considerable price risks. It is our goal to keep these risks at a minimum. We try to do so by reacting on changes or trends in the crude edible oil markets.	Other, please specify	
In addition to your activities as a consumer goods manufacturer, does your company have significant activities in any other parts of the palm oil supply chain?	Trading		
Organisation profile	The Remia Handelmaatschappij is an associated company of Remia CV which is responsible for the sourcing as well as supply chain management as well as risk management for all edible oils used by Remia CV in its production facilities
