Assessment Team

Bureau Veritas Certification Hong Kong Limited is member of the Bureau Veritas, a global leader in Testing, Inspection and Certification (TIC), delivering high quality services to help clients meet the growing challenges of quality, safety, environmental protection and social responsibility. Established in 1828, Bureau Veritas has over 190 years of experience in providing various types of certifications and recognized and accredited by major national and international organizations.

The assessment assigned for the initial certification assessment will involve a team of auditors and technical experts as follows:

- **Dr. Chaiyaporn Seekao:** He will be in charge as lead auditor and responsible for auditing against RSPO standard for Group Certification and RSPO P&C at plots owned by group members, HCV, regulatory, good agricultural practice, Integrated Pest Management, pesticide and fertilizer use, ecological and environmental as well as social aspect in plantation.
- **Mr. Prapas Noras:** He will be involved with auditing of good agricultural practice, Integrated Pest Management, pesticide and fertilizer use, environmental management, regulatory, health and safety, and worker welfare and social issues in mill and plantation.

Invitation of all stakeholders:

Interested stakeholders are invited to provide comments or inputs regarding the following issues related to performance of the company and compliance of the applicant with RSPO certification requirements.

- Ecological and environmental conservation
- Land acquisition process and/or land disputes
- Opportunity for employment, wage, overtime and piece wage
- Provision of housing, sanitation, amenities and educational support
- Community approach and community development
- Other issues pertaining to RSPO

Your comments or observations can be communicated through either a meeting with assessment team during the field audit or writing to Bureau Veritas (see contact details below) so that all comments received can be taken into account during the RSPO certification assessment.
