Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

Just one problem with supplier which did not mention certification reference on delivery note. To resolve this issue, supplier has been contacted in order to solve it and to take care.

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

We asked RSPO certification following Customer requirement. Our organization until now does not support the vision of RSPO.
