Support for Smallholders**9.1 Are you currently supporting any independent smallholder groups?**

No

Do you have any future plans to support independent smallholders?

No

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

Currently only about 2% of our total raw materials used is RSPO certified. We can increase the production provided there is demand. New sales team are employed to cover more global sales.

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

We give RSPO awareness to customers and conduct presentation if opportunity arises. We strongly request RSPO secretariat to give more roadshows and open it to public
