Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

In order to create an encouraging environment for the whole palm oil supply chain, the players in CSPO market has to ensure equal distribution of benefits from producing and selling CSPO.

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

As a processor, we believe continuous engagement with stakeholders in the supply chain is one of the most effective ways to transform the market.
