Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

Our major challenge is that most of our fruit s are from private suppliers and getting them certified is expensive for the company to bare.

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

We engage with key stakeholders, business education. We also partake in conferences and workshops organized in the country.
