Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

We have met some doubts from customers regarding recent public health alarms due to content of 3-MCPA , Glycidyl esters etc from palm oil in food products(biscuits, infant formulas etc). We only hope that this is one in a long list of food hazards alarms popping up all the time.

2 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

No. We are only a very small organization with focus on manufacturing products that meet our customers demands.
