Conflict and Complaints Mechanism

9.1 Has your Company put in place any mechanism to resolve any conflict?

Uploaded files:

- [sop-022-general-negotiation.pdf](#)
- [sop-019-complaint-and-grievance.pdf](#)

Mechanism details to resolve conflicts.

Please refer to the standard operating procedures on Complaint and Grievance and General Negotiation.

9.2 Has your company any ongoing land conflict?

No

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

One of the main obstacles that the company have been facing is that most local communities and interested parties are not familiar with the act of protecting the environment and biodiversity at the oil palm development site; more than that they even can be the destruction of some critical areas that the company preserves for conservation areas.

Therefore, what the company can do is to conduct awareness training on the benefits of participating in protection of environment and biodiversity to concerned stakeholder through meeting with staff and workers at work site and annual stakeholder meeting organized by the company.

2 How would you qualify RSPO standards as compared to other parallel standards?

--

Cost Effective:

Yes

Robust:

Yes

Simpler to Comply to:

No

3 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

Conduct awareness training on the RSPO Principles and Criteria and other update information from the RSPO regarding with the promotion of the use of sustainable palm oil and transformation of market to the concerned stakeholders through annual stakeholder meeting and interested visitors.

4 Other information on palm oil (sustainability reports, policies, other public information)

The core policies of the company e.g. company policy, Occupational Safety and Health Policy, Social Policy, Environment and Biodiversity Policy and Code of Ethical Conduct and Respecting Human Rights Policy, which endorsed by the Management, are covering all the aspects of RSPO P&C and local agriculture best practice. Moreover, the structure of sustainable committee establishment is a mechanism to monitoring the implementation of the core policies of company and other significant standard operating procedures.
