Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

The major stumbling block is customers refusing to accept price premiums for RSPO certified oils. Availability of SG for special fractions. Price premium fluctuations, we continually try to source new competitive RSPO palm oil suppliers

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

We continue to engage with our suppliers on RSPO developments
