Brief information about Applicant	Kuala Lumpur Kepong Berhad (KLK) is a Malaysian multinational company involved in plantation, manufacturing, and property development. Started as a plantation company more than 100 years ago, plantations (oil palm and rubber) still lead as KLK's core business activity. Through various strategic acquisitions and sound management, the Group's plantation land bank now stands close to 270,000 hectares spread across Malaysia (Peninsular and Sabah), Indonesia (Belitung Island, Sumatra, Central and East Kalimantan) and Liberia. Since the 1990s, the Group has diversified into resource-based manufacturing (oleochemicals, derivatives and specialty chemicals) and vertically integrated its upstream and downstream businesses. The 1990's also saw the Group capitalizing on the strategic location of its land bank in Peninsular Malaysia by branching into property development.

Stakeholder consultation is one of the most important parts in certification process; during which relevant national, regional as well as local stakeholders are asked to give their views and opinions as to whether the applicant's certification units comply with the requirements of the applicable National Interpretation.

We invite all stakeholders to take part in this consultation procedure as you can make a positive contribution to the certification decision. We ask you to raise any issues, both positive and negative, by sending a written response by mail, fax or by E-mail to our Control Union Malaysia Sdn Bhd office as indicated below.

For your guidance, you may consider the following points:

- Environmental protection.
- Biodiversity conservation.
- Opportunities for employment.
- Provision of housing, sanitation, amenities and educational support.
- Company approach to community development.
- Participation in decision making.
- Any other issue, both positive and negative that you consider may be of relevance to the assessment.
- Issues relating to other plantations owned by the company not included in this assessment.
- A copy of the applicable RSPO standard for the country, in which the assessment is being conducted, is available from www.rspo.org. Alternatively please ask Control Union Malaysia Sdn Bhd for a copy.

Your responses will be dealt with in complete confidentiality and will only be distributed to the appropriate persons within the organizations of CUC, ASI and RSPO.

When required your reply will remain confidential. Please add "Confidential" in your response and when preferred your response can be added as anonymous in the public summary of the report. In that case please also add "Anonymous" in your response.

If requested by you, the audit team will make the necessary arrangements to allow you to meet with them during the evaluation.
