**Environmental and Conservation NGOs****Operational Profile****1.1 What are the main activities of your organization ?**

SOS works to protect orangutans, their forests and their future. We support frontline conservation programmes and campaign on issues threatening the survival of orangutans in the wild. Our projects include rainforest restoration and developing community conservation initiatives which support the protection of the Leuser forests, empowering local people to become guardians of this precious ecosystem.

**1.2 Does your organization use and/or sell any palm oil?**

No

**1.3 Activities undertaken to publicise programmes to support RSPO, RSPO certification, uptake of RSPO certified sustainable palm oil and oil palm products and/or good standing RSPO members during the year.**

SOS has worked with partners in Sumatra, Indonesia, to provide training for plantation workers and agricultural communities on best management practices for dealing with human-wildlife conflict, enabling farmers to protect their crops without harming wildlife. We have supported the evacuation of orangutans at risk in plantation areas, including those owned and managed by RSPO members. Ensuring that standards are upheld on the ground is a crucial role for NGO members of RSPO.
