## Challenges

**1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?**

We are indent to use CSPO according to specific customer demands because CSPO products are more expensive revatively with no CSPO products and this will have a negative affect to the production cost.

---

**2 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)**

Together with our customers we will try to understand and further support the need in the use of CSPO products.
