Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

We have encountered economic, social and environmental obstacles in the production, procurement, use and/or promotion of CSPO, including an increased cost of certification and supply.

2 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

We have engaged with numerous customers and other stakeholders to assist in their progress in RSPO membership, certification, and uptake of RSPO-certified products. We also highlight our relationship with RSPO in our CSR report as well as ensure that our suppliers abide by Ventura Foods' Supplier Code of Conduct, which requires compliance with our palm oil policy.
