--

Cost Effective:

Yes

Robust:

Yes

Simpler to Comply to:

No

3 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

We are developing activities related with the social responsibility with our stakeholders based on 4 pillars, those pillars are directed to meet the needs of the stakeholders in topics like environment, economy, education, health.

4 Other information on palm oil (sustainability reports, policies, other public information)

We have some policies that we are sharing with our stakeholders (Human Rights and Social Responsibility), in those policies we are promoting the respect for the human rights and social welfare with all our identified stakeholders.
