2017

2.3 What are your interim milestones towards achieving this RSPO certification commitment (year and progressive CSPO%)? Please state annual targets/strategies.

Our very own plantations and related supply chain operations had been RSPO certified. However, as in previous year our operations still processing palm fruits from smallholders / suppliers and we are still in the progress and making small progress in trying to communicate, convincing and trying to assist them in understanding and encouraging them to apply for RSPO certification.

2.4 Timebound plan - Year expected to only "handle/supply" RSPO certified oil palm products

2022

2.5 How do you promote RSPO and RSPO certified sustainable palm oil to your customers proactively?

Our organization still constantly practicing the circulation of latest information and development from RSPO secretariat within our organization and our marketing department actively discuss the development or requirements on RSPO certified products with our existing and potential customers.

2.6 Which countries that your organization operates in do the above own-brand commitments cover?

- Malaysia
