Reasons for Non-Disclosure of Information

6.1 If you have not disclosed any of the above information please indicate the reasons why

confidential

Application of Principles & Criteria for all members sectors

7.1 Do you have organizational policies that are in line with the RSPO P&C, such as:

- Water, land, energy and carbon footprints
 - Land Use Rights
 - Ethical conduct and human rights
 - Labour rights
 - Stakeholder engagement
 - None of the above
-

7.2 What best practice guidelines or information has your organization provided in the past year to facilitate the uptake of RSPO certified sustainable palm oil and oil palm products? What languages are these guidelines available in?

We promote our Supply Chain Certification and externally encourage the supply and demand of certified palm products.

GHG Emissions

8.1 Are you currently assessing the GHG emissions from your operations?

No

Please explain why

--

Support for Smallholders

9.1 Are you currently supporting any independent smallholder groups?

No

Do you have any future plans to support independent smallholders?

No

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

Many of our suppliers are still unable to offer us RSPO certified alternatives to our product range as there is not yet the demand in the marketplace. We can only respond to our customers demands and requests, not all customers require Certified materials.

2 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

We actively promote our Certification externally to encourage the supply and demand for Certified products with both customers and suppliers.
