Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

Trying to find a supplier that can provide RSPO palm oils in the quantities that we need and also organic certified, have been challenging. We have found 2 companies that are meeting our needs.

2 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

Trying to educate via business to business on the importance of RSPO certified palm products is important to our goals. We also plan to do outreach via sales and marketing in the near future.
