Actions for Next Reporting Period

5.1 Outline actions that you will take in the coming year to promote the use of RSPO certified sustainable palm oil and oil palm products along the supply chain

1. To coordinate with MPOB / government on the awareness and important of sustainability practices, especially to the palm oil planter. 2. Will consider to set up company policy on getting certified sustainable palm oil sources. 3. To communicate and work with our suppliers (CPO's suppliers) on establishing the certification for the plantations.

Reasons for Non-Disclosure of Information

6.1 If you have not disclosed any of the above information please indicate the reasons why

Application of Principles & Criteria for all members sectors

7.1 Do you have organizational policies that are in line with the RSPO P&C, such as:

- Water, land, energy and carbon footprints

- Stakeholder engagement
Uploaded file: [P-Policies-to-PNC-stakeholderengagement.pdf](#)
- None of the above

7.2 What best practice guidelines or information has your organization provided in the past year to facilitate the uptake of RSPO certified sustainable palm oil and oil palm products? What languages are these guidelines available in?

Comment:

1. We participated in RSPO credit programs to support the sustainability practices.
2. We coordinate / cooperate with MPOB and one of our CPO's supplier to set up the awareness of sustainability certification.
3. We participated in MSPO pilot study audit and working with our CPO's supplier to get MSPO certification which eventually help in achieving RSPO certification.

7.3. Your answers above indicate that you are not yet using 100% RSPO certified palm oil and oil palm products. Do you have plans to immediately cover the gap using Book & Claim?

Yes

When do you plan to cover the gap using Book and Claim?

2020

GHG Footprint

8.1 Are you currently reporting any GHG footprint?

No

Please state if you have any future plans to do so?

We are in the midst of establishing it.

Support for Smallholders

9.1 Are you currently supporting any independent smallholder groups?

Yes

Please state the markets where you use or intend to apply the Trademark and when you plan to start

Through RSPO credits program. We have applied the Trademark license since year 2017.

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

1. Awareness of the important and benefit of sustainability is weak especially between the smallholder and this result in the failure on this certification. 2. There is also limited guideline and finding for planter to establish the sustainability practices / procedures. 3. ExcelVite is coordinating and cooperate with government to resolve on issue (1) and (2) as to improve the sustainability issue in Malaysia.

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

Business to business education.
