2018

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

The most common obstacles that we have encountered are mainly on the unfamiliarity of many small holders towards the purpose of RSPO, thus minimizing their understanding on the importance of sustainability. In the regards, our company holds meetings and effective workshops to socialize and educate local small holders about the benefits and other primary information, and to guide and encourage them to support RSPO programs

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

Permata Hijau Groups greatest investment will be on the education of other stakeholders and smallholders about RSPO programs. It is vital that all the parties are nurtured with adequate information in order to support the RSPO programs
