2014

---

**4.3 Year expected to achieve 100% RSPO certification of scheme/associated smallholders and outgrowers**

2014

**If target has not been met, please explain why:**

Our Scheme/plasma Smallholder already have been Certified RSPO since 7 November 2014 (integrated with Estate), but for associated smallholders and outgrowers it is rather difficult to certify 100% because we do not direct buy the FFB from them but through collecting by agents, but we have started introducing RSPO to them.

---

**4.4 Year expected to achieve 100% RSPO certification of independently sourced FFB**

2022

**If target has not been met, please explain why:**

Actually it is rather difficult to certify 100% of independent smallholder because we not direct buy the FFB from independent smallholder but through collecting by agents, but we have started introducing RSPO to them.
