Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

we decided from the beginning of our RSPO membership, only to use segregated palmoil because we have the opinion, that this is the right way

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

we are in a close contact to our suppliers of palmoil we are planing to participate in a project along the palmoil supply chain
