SUMMARY

Nominee Profile

Managing Director, Asset Based Finance, South East Asia at Rabobank

As a product specialist, she works closely with Relationship Managers in the bank to cross sell working capital financing solutions to corporate clients. In addition to her product duties, Geraldine represents the Bank on the Roundtable for Sustainable Palm Oil as a board member and is actively involved in the sustainability concerns on palm for the Bank.

Geraldine joined Rabobank in Singapore in 2010, having spent eleven years with ABN AMRO Bank/Royal Bank of Scotland and ten years with First National Bank of Boston in Singapore, where she was a Relationship Manager, managing relationship development with large corporates.

Organisation Profile

Founded in 1898 in the Netherlands, Rabobank is an international financial services provider operating on the basis of cooperative principles. Today, Rabobank Group is a global financial services leader operating in 39 countries worldwide, recognised for its dedicated focus on Food & Agri and Trade & Commodity Finance expertise in agriculture, metals and energy. Enabling the change to a more sustainable food supply chain by working together is core to our mission of 'growing a better world together'. We do this by providing access to our knowledge, networks in 39 countries and financing solutions. Our efforts are focused on addressing the four most pressing food issues: increasing the availability of food, improving access to food, promoting a balanced nutrition and increasing stability of food supply chains. Measured by Tier 1 capital, Rabobank Group is one of the world's largest financial institutions with high credit ratings by all rating agencies and is ranked by Sustainalytics as the most sustainable bank in ESG Risk Rating.
