Supply Chain Model | IP
Any NPP Submission? | YES ☐ NO ☒
NPP Status | If Yes, To check with RSPO
Are there any RaCP? | YES ☐ NO ☒ (This is required to check if there are any liabilities)
RaCP Status |

**Brief information about Applicant**

Palmeras de la Costa S.A. was founded in 1971 with the aim to process vegetable oils; production and marketing of crude palm oil, palm kernel oil and palm kernel cake. In 1995, it became a mixed capital company, 80% of its shares belonging to fruit suppliers and 20% to its unionized workers. Close to El Copey (Cesar), the Palmeras Del Caribe's Extraction Mill is located with a processing capacity of 40 t/hr. of FFB and approximately 10,000 hectares of land, distributed amongst company supported out growers and company owned land. In April 2011 our composting plant starts operating, using the full amount of the biomass and effluents, with a processing time of 2 months, Palmeras del Caribe S.A. produces approximately 2000 t/month of high-quality compost. Our human resource is exclusively hired from the local communities surrounding our operations, namely El Copey and Algarrobo, to account for 383 workers hired directly and 348 through coops.

Control Union Malaysia Sdn Bhd is a member of the Control Union - an international inspection and certification body. CUC performs assessments and certification in many agricultural based fields such as FSC, RSPO, and Organic production, Sustainable Textile Production, Organic Exchange, GLOBALGAP, HACCP, BRC, GMP. Control Union Malaysia Sdn Bhd is accredited for RSPO (RSPO-ACC-021) for the scope of P&C (Single Site & Group) and SCCS worldwide. When requested, a copy of the accreditation certificate can be obtained from CUC.

Stakeholder consultation is one of the most important parts in certification process; during which relevant national, regional as well as local stakeholders are asked to give their views and opinions as to whether the applicant’s certification units comply with the requirements of the applicable National Interpretation.

We invite all stakeholders to take part in this consultation procedure as you can make a positive contribution to the certification decision. We ask you to raise any issues, both positive and negative, by sending a written response by mail, fax or by E-mail to our Control Union Malaysia Sdn Bhd office as indicated below.

For your guidance, you may consider the following points:
- Environmental protection.
- Biodiversity conservation.
- Opportunities for employment.
- Provision of housing, sanitation, amenities and educational support.
- Company approach to community development.
- Participation in decision making.
- Any other issue, both positive and negative that you consider may be of relevance to the assessment.
- Issues relating to other plantations owned by the company not included in this assessment.
- A copy of the applicable RSPO standard for the country, in which the assessment is being conducted, is available from www.rspo.org. Alternatively please ask Control Union Malaysia Sdn Bhd for a copy.
Your responses will be dealt with in complete confidentiality and will only be distributed to the appropriate persons within the organizations of CUC, ASI and RSPO.

When required your reply will remain confidential. Please add “Confidential” in your response and when preferred your response can be added as anonymous in the public summary of the report. In that case please also add “Anonymous” in your response.

If requested by you, the audit team will make the necessary arrangements to allow you to meet with them during the evaluation.
